

*It's All the Same*

Because of the relativities of material existence,  
Some things appear to be good,

Some bad, some in the middle.

But the real fact is that  
It is all in the atmosphere of repeated birth and

Death. If we want to go to  
A truly different destination,

We must travel to the spiritual world, where  
Life is eternal, full of knowledge, and full of bliss.

*The Only Way to Be Happy*

The only way  
To be

Happy

Is  
To

Chant the  
Lord's holy names

As  
Much as possible.

*Why Do I Exist?*

Question: Why am I created? What  
Is the purpose of getting this life

Of mine? I don't find any answer. Please  
Enlighten me. Answer:

The Supreme Personality of Godhead

Is eternally emanating you from Himself  
For the purpose of enjoying a loving relationship

With you. In short, you exist  
For the purpose of loving God.

*Maybe Next Time*

It's New Year's Eve  
Again, and all I can think

Of is my spiritual master.  
I wish that the day I surrender to

His lotus feet

Would get here faster. Perhaps  
This year will be the year I give this

Nonsense up and drink from the cup  
That will permanently quench my thirst.

*Life is a Deathtrap*

A house is a  
Pre-coffin.

Everything inside of a house  
Will die eventually.

When I get my first house,

I'm going to put up  
A sign

On my front door that says:  
"Home Sweet Pre-coffin."

*My Love for You Is Forever and Ever*

My love for you is forever and ever.  
The day I stop loving you is a day that will never

Arrive.  
For as long as I'm alive,

I will love you increasingly more

And more all the time,  
Although

I may occasionally fuck  
Other people.

*Back to Form*

Give me a plus  
And I'll give you a minus.

Trust that justice is just  
And put injustice behind us.

Have no fear.

The end is near.  
In terms of endearment, I'm right on

The cusp. I will show you  
Beer and two handfuls of lust.

*In This Material World*

In this material world, we are trying  
To be happy in society, friendship, and love.

But the happiness we are getting,  
That is compared with

A drop of water in the desert.

Our heart desires real pleasure, transcendental bliss.  
We are hankering after Krishna.

That is our inner desire.  
We are trying to get eternal happiness.

*Will You Marry Me?*

Will you marry me?  
And by “marry me” I mean

“Be my legal prostitute,”  
Because I will support you

Financially

And take care  
Of your

Basic needs  
In exchange for unrestricted sex with you.

*Freedom from All Miseries*

There is  
Absolutely no

Reason

For anybody to  
Be in a suffering

Condition, because  
There is an

Unlimited reservoir of pleasure  
Within the hearts of all living beings.

*In the Valley of the Healing Rains*

The rain keeps coming,  
Slowly, gently, sometimes

When it's sunny, nourishing my  
Avocados, coddling

My mangos into apathy.

And I march on, sluggishly,  
Like a slug,

Through the tall, wet grass, letting  
The dead bury the dead.

*Male and Female*

I don't have enough  
Time.

Watch out  
For green and purple and

The number *nine*.

What does it all mean?  
How do I connect the circuit?

Just flip the switch,  
And the energy will flow.

*The Supermost*

There is no truth  
Superior to the Supreme Person.

He is smaller than the smallest, and  
He is greater than the greatest.

He is situated as a silent tree,

And He illumines  
The transcendental sky.

And as a tree spreads its roots,  
He spreads His extensive energies.

*National Anthem*

And the buzzards, they soar  
Overhead, and poisonous snakes

Will devour us whole.

Our bones will bleach in the sun.  
And we will probably go to hell,

And that is our great reward.  
From not that far away,

A highway can sound like a river  
Until you listen for a while.

*Sales Pitch*

Feel the most amazing ecstasy  
Overflooding your heart.

Become completely inundated  
With divine bliss.

Reclaim your original, all-blissful, all-knowing, eternal  
Identity

In the Supreme Lord's eternal pastimes.

Interested?  
Inquire within.

*Take a Whiff*

Look at all of these  
Wonderful rectangles.

Cities are humongous toilet bowls,  
And skyscrapers are big

Pieces of crap

Floating around in them. So if  
You're walking through a city and it smells

Like piss and shit to you, just remember that  
Cities are humongous toilet bowls.

*My Second Wal-Mart Poem*

Actually,  
Wal-Mart's

Not such  
A great place

For people-watching.

There aren't many  
People there.

Mainly, there are just  
Goblins.

*Krishna Is the Beginning of Everything*

If Krishna had a beginning,  
How could He

Be the beginning  
Of everything?

If Krishna had a beginning,  
That would mean

Something caused Him to be.

But He is the cause of all causes,  
Therefore He has no beginning.

*Pain*

I've got blisters  
On my fingers.

I don't mind.

There are ten times  
The number of pain sensors

In the human body  
Than there are pleasure sensors.

It's just  
Another reminder.

*I Miss My Spiritual Master*

Serving guru in presence  
Is ambrosial,

But serving his orders in separation  
Is even more ambrosial.

Like a high-school boy

Longing to reunite with his sweetheart  
While she's away

At summer camp,  
I miss my spiritual master.
